

Ever since Trump won, it proved that I could be President // I never ever stopped fighting for the people // Actually, wearing the hat will show people that we're equal // All Blacks gotta be Democrats? Man, we ain't made it off the plantation // I feel a obligation to show people **new ideas** // **Make America Great Again** // I was in the sunken place and then I found the new me // A lot of people agree with me, but they're too scared to **speak up**

**Ephesians 5:14-17** **Awake**, **O sleeper**, and arise from the dead, and Christ will shine on you. Look carefully then how you walk, not as unwise, but as wise, making the best use of the time, because the days are evil. Therefore do not be foolish, but understand what the will of the Lord is.

Social Media is totally discriminating against Republican/Conservative voices. Speaking loudly and clearly for the Trump Administration, we won't let that happen. They are closing down the opinions of many people on the RIGHT, while at the same time doing nothing to others...Censorship is a very dangerous thing & absolutely impossible to police. If you are weeding out Fake News, there is nothing so Fake as CNN & MSNBC, & yet I do not ask that their sick behavior be removed. I get used to it and watch with a grain of salt, or don't watch at all...Too many voices are being destroyed, some good & some bad, and that cannot be allowed to happen. Who is making the choices, because I can already tell you that too many mistakes are being made. Let everybody participate, good & bad, and we will all just have to figure it out!
