

He's going to bring all these jobs back, well how exactly are you going to do that? What are you going to do? There's — there's no answer to it. He just says, "Well, I'm going to negotiate a better deal." Well, how — what — how exactly are you going to negotiate that? **What magic wand do you have?** And usually, the answer is he doesn't have an answer. - Obama town hall in Indiana June 1, 2016
