What damages America?

Moral Relativism

If there's no God, then who defines right and wrong? Each person gets to define their *own* morals. Then society is pressured into **“tolerance”** of deviant and harmful beliefs/delusions and behaviors.

- 1925** The Scopes Trial controversy over teaching evolution in schools
- 1962** Engel v. Vitale no prayer in schools
- 1963** Abington School District v. Schempp no Bible reading in schools
- 1973** Roe v. Wade murdering unborn babies made legal

Each **“legislated”** by the **judicial** branch? 🤔

Nihilism led to experimenting with sex, **drugs**, hedonism.

The Sexual Revolution ‘60s-‘80s

- Challenged traditional codes of behavior related to sexuality and interpersonal relationships throughout the U.S. and subsequently, the world.
- Increased acceptance of sex outside of traditional heterosexual, monogamous marriage relationships.
- Normalized of sexual objectification, public nudity, pornography, premarital sex, homosexuality, alternative sexuality, sexually-transmitted diseases, teenage pregnancy, **abortion**, feminism, and now transgenderism; also probably soon, **polygamy, prostitution and, pedophilia**.

Marxism, Communism, Socialism

(Far from original concepts of “Liberal” and “Democratic”) Leftist brainwashing is **promulgated** by a homogenous group of **powerful** elites strategically embedded in **Washington, Hollywood, Silicon Valley, and Academia**. **Leftism endorses** big government (totalitarianism), redistribution (stealing property and money), gun control (disarming of citizens), political correctness (censorship), “free love” (fornication), and abortion (murder); **breeds entitlement**; **opposes** low, flat, fair taxation. Remember, the racist **Nazis & U.S.S.R.** were both leftist. Multiculturalism is at *least* naïve about Islamist Terrorism.
